

ABOUT US

UMass Boston - The only public university in metropolitan Boston, located on Boston harbor, the Boston campus offers 78 undergraduate degree programs, 34 master's degree programs, 13 doctoral programs, and 15 undergraduate certificate programs through its seven colleges and Division of Corporate, Continuing, and Distance Education (CCDE). UMass Boston serves the most diverse student population in New England. As a key institution in Boston that sponsors 10 research centers and institutes, UMass Boston contributes substantially to public policy discussion and formulation in such areas as economic development, social well-being, environmental affairs, and health care. UMass Boston is integral to the city and its neighborhoods, as it reaches out through partnerships with the Boston Public Schools, local businesses, community programs, and youth sports.

OIRP- The Office of Institutional Research and Policy Studies (OIRP) is responsible for reporting student, course, faculty, staff, and academic program data to state and federal agencies, and to UMass Boston faculty, students, and administrators. We also conduct surveys and complete special analyses and reports.

Fast Facts- Fast Facts is a summary of the most commonly requested statistics. The report contains summary data on the undergraduate entering class, enrollments by gender and race, tuition and fees, five year enrollment trends, degrees awarded for the most recent academic year, graduate enrollment, and number of faculty. It is a quick reference for describing the institution.
